We hope that you're happy in your residence and enjoy telling others about your experience. One of our favorite things is having someone visit us and say they heard about our community from one of our current residents – it's the ultimate compliment!

Plus, it has the added benefit of letting you help to pick your neighbors- Who better to live nearby than a friend, co-worker or family member?

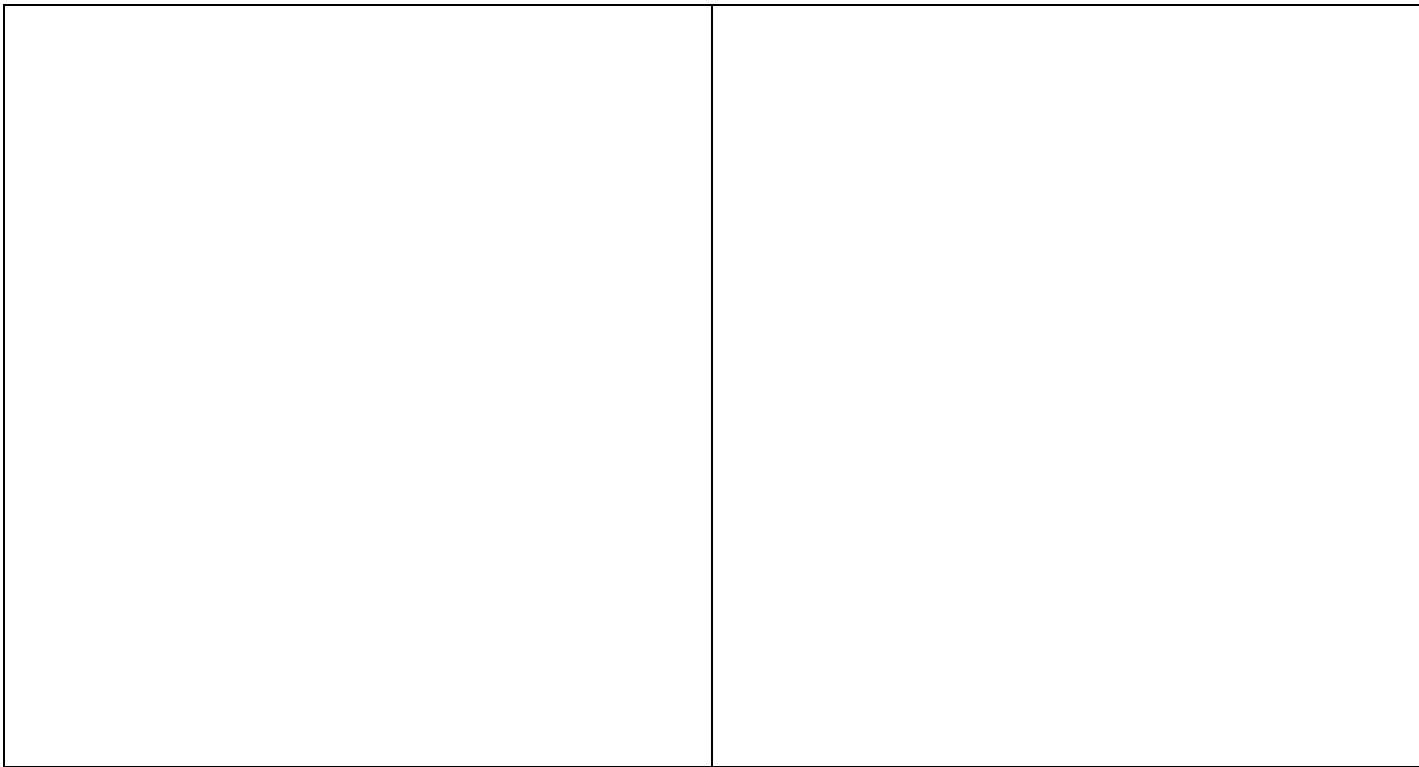

You're just a few simple steps away from referring your friends to our community:

- Fill out your information below, and include your friend's name and phone number.
- Give it to your friend so they can present it to us on their first visit to our leasing office.
- You'll be eligible for a rent credit of \$200.00 per residence that is leased by your friend and your friend will be eligible for a \$200.00 credit off their 1st months rent.

Thank you for referring your friends!
